

LAW DEPARTMENTS

ABOUT ME

Do you need to introduce me at a conference or event? Here are a few lines that can help:

“Antoine Henry de Frahan is a management consultant specialized in the assistance to law departments. He holds a law degree (magna cum laude) from Université Libre de Bruxelles and a LL.M. from Columbia Law School. He has worked as an attorney for Clearly Gottlieb and Linklaters, and as an international legal counsel for Engie, before starting his consulting career in 2000. He is the author of several books and of dozens of articles on issues and participates in many conferences and panels relevant for heads of legal (in particular at the IJE/IBJ in Belgium and the AFJE in France). He is also the chair of the Heads of Legal peer group for EGN (Executive Global Network) and is an Affiliate Professor in the LL.M. program of Edhec Business School in France.”
